Making bread is easier than you might think. You just need some flour, salt, water and yeast (this makes the bread rise). Don't use 1 **too much/enough** salt as this can kill the yeast. However, if there isn't 2 **enough/too much** salt, the bread won't taste nice! Make sure you use 3 **much/enough** water, too – if you don't use 4 **too much/enough**, the dough will be very hard. But if you use 5 **enough/too much**, it will be too wet. And finally, if you have 6 **enough/too much** time, let the dough rest for a few hours. That makes it taste better. 7 **Too much/Too many** people try to make bread quickly!
