

## ENGLISH SUMMER HOMEWORK

### 2n ESO

#### What do you need to deliver?

- The dossier and activities called "dossierestiu\_2eso"
- A video (4-5 minutes long)
- The script of the video

#### What should the video be about?

Your video must be a presentation about yourself and how your school year has been

Who are you

What did you learn

Who did you meet

What did you like the most about school

What was the most difficult moment of the year

How was your routine

#### What do you need to include?

Don't forget to use some of the vocabulary and grammar you have learnt in class

- Present simple
- Present continuous
- Past simple
- Vocabulary from the units seen or from the summer worksheet

Make an original video, using editing work, recording in different places, perspectives... You can use different applications for Mobile Phone or computer: In Shot, Movie Maker, Adobe...

Extra tips:

- Make sure your pronunciation in the video is clear and understandable.
- The audio quality should also be decent
- Add subtitles to your video
- Insert also images
- Add captions and credits - Use video transitions between scenes

**You can hand in all your work during the first week of school year**
