

ENGLISH SUMMER HOMEWORK

Create a video (4-5 minutes long), fully recorded in English, explaining your holiday routine or a special experience or summer trip. Make an original video, using edition work, recording in different places, perspectives... You can use different applications for Mobile Phone or computer: In Shot, Movie Maker, Adobe...

You can talk about your feelings, the things you are doing and discovering, you can also describe your activities, explain your opinion or thoughts about this period of time... be creative!

Make sure your pronunciation in the video is clear and understandable. The audio quality should also be decent.

Tips for extra quality:

- Add subtitles in Spanish, Catalan or English to your video
- Add background music
- Insert also images
- Include passages with voiceover
- Add captions and credits
- Use video transitions between scenes
